

Through our network of contacts with strategic global operators, industry relationships and service providers we are able to identify investment opportunities for our Clients.

We help our Client's Teams to review the merits and risks of the opportunity, the expected range of returns and the likely impact the investment would have. We also support our Clients in preparing Investment Proposals and carrying out due diligence processes that are presented for internal approvals.

We offer assistance in key areas such:

(INVESTMENT SCREENING)

(DUE DILIGENCE)

(TECHNICAL ADVISORY)

(PROCUREMENT MANAGEMENT)
